EMPTY LOCKERS FOR EASTON ELEMENTARY

As school comes to a close for summer vacation, the Women's Fellowship is now preparing for our Empty Lockers Project. As we begin collecting items, please remember these children and their needs, as 100% of Easton's students are on free lunches and without our help they do not have the necessary tools needed in the classroom and many do not have the clothing needed for warmth in the winter months. The collection box for school supplies is located in our narthex and clothing may be placed in the parlor kitchen. Our project begins now and will run through the first week in August. We thank you in advance for your generous giving, as do the children and teachers at Easton. See June newsletter for a list of all the supplies that are most needed.
