CMC STEWARDSHIP 365

Q1: Passion Q2: Perception Q3: Provision Q4: Promise

Discover Your Gifts: A Stewardship 365 Experience for Deepening and Strengthening Our Perception. A 2-part Wednesday Evening Workshop - May 8 & 15, 5:30-7pm - Led by the Rev. Christy Clore. Dinner will be served beginning at 5:30, with the workshop beginning at 6pm

In our annual journey through the 50 days of Easter, from Easter Dawn til Pentecost, we are invited to dig into what the baptismal promise, "therefore live, yet not you alone, but Christ live in you," means for practicing resurrection. We hear the texts like Acts 4:32-35 that tell about the community of believers being one in heart and mind and holding everything in common for the good of all - sharing as any were in need. These texts ask us to take seriously the value of the spiritual gifts entrusted to us as we embrace the ways Christ lives in each of us. Our baptism and life as disciples calls us to consider and cultivate the ways we can steward well what has been entrusted to us - both as individuals and in community.

Between now and May 8, everyone interested in discovering more about their spiritual gifts is invited to use this web address:

FaithAliveResources.org/DiscoverYourGiftsSurvey

(or the included QR Code Below) to complete an assessment survey.

At the conclusion of the online survey, your score will be tallied and results offered for each of the 20 spiritual gifts included in this tool - you can have this emailed to you. Please either use the option to email this to yourself that will be offered or print this final screen and bring it with you on the evening of May 8th. (If willing, you can also have this shared directly with Rev. Clore, to aid in the planning of our workshop time together.)

You can also complete the assessment survey through the paper version that will be available sometime next week in the vestibule or Church Office. Simply follow the instructions included with this printed version and bring it with you on the evening of May 8th.

Using what you have discovered through this assessment survey, we'll explore more about these spiritual gifts through scripture study, small group discussion, and take a look at how the variety of perceptions we each bring to our life as disciples has the power to strengthen the ministry we can be stewards of together!

The Rev. Christy Clore serves as the Faith Formation Specialist for the Southern Province through the Commission on Congregational Development and also as the Vice President of the Provincial Elders Conference (PEC). She has previously served as the Transitional Pastor for Kernersville Moravian and First Presbyterian, Reidsville and has enjoyed doing consulting work on congregational visioning and programming in a variety of settings. She has also served in pastoral and faith formation ministries with the Home and New Philadelphia congregations. Christy's husband, David, teaches in the Business Department at West Forsyth High School and their son, Miles, is an 8th grader at Hanes Magnet Middle School.

It's that time of year again! We are compiling a list of all the graduates in our church family for special recognition on **Graduation Sunday - June 2nd**. If you or anyone in your family is graduating from high school or college this spring, please let us know in the church office by **May 20th**. We need the graduate's name, school he/she is graduating from, major (if applicable), work/career and/or plans for the next year.
