**How would you like commit just a little of your time this summer to help those in need in our community?** The Stewardship Committee is implementing a "Summer of Service" in which you can participate in your choice of a different opportunity in July, August or September - or perhaps in all three! We are in the final stages of planning a lunch for the occupants of the Ronald McDonald House during the 3rd full week in July. In August, you'll be able to help us prepare and serve a meal to the residents and visitors at Trellis Supportive Care (hospice and palliative care). In September, on our Day of Service, we'll once again be preparing bag lunches for the Winston Salem Rescue Mission, immediately after our morning worship service. This is our opportunity to minister to those who, as Jesus reminds us truly need our attention. "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me"
